RE: 2006 Annual Report

Your 2006, "Annual Report for License Fee Purposes, Form LM-003 is now on the Department of Revenue website at <http://www.dor.state.wi.us>. **We will not be mailing the forms directly to you**

We have also provided you with a fill-in form, so you can enter the data directly into the annual report and the report will do the calculations. With Adobe Acrobat Reader, you can print and send a completed paper form to us. You will need to fill the entire report out before checking totals to confirm the correct answers. This form will not save on the free Adobe Acrobat Reader provided on our website. Please consult our Instructions for PDF Fill-ins on the website for a complete set of instructions.

One completed copy must be mailed to this Department on or before Mar. 1, 2006. A 30-day extension for filing may be obtained, by going to <http://www.dor.state.wi.us/ust/index.html> and applying for an extension, provided the request is received before the due date. If you fail to file your report with us by the due date or extended due date, the Department of Revenue will add \$25 plus 5% of the total fees in accordance with Sections 76.28(6)(b) & (7) of the Wisconsin Statutes.

Do not send any payment with your report. We will bill you on or about April 10.

Remember to report only revenues from operations located outside your municipality. Generally, these revenues will be the gross receipts from electric and gas customers located beyond your municipal borders. Include as other operating revenue rents from pole-contracts and rents received from other electric property located outside the municipality. Please review the instructions in Page 3 of the report regarding other operating revenues.

INSTRUCTIONS FOR COMPLETING SCHEDULE B

- Line 1.** Revenues from forfeited discounts received from customers located outside the owning municipality should be reported here. If the utility does not keep separate records for forfeited discounts received from customers located outside the owning municipality, it can be estimated by using the ratio:

$$\frac{\text{The Number of Customers Outside of Owning Municipality}}{\text{Total Number of Customers minus the Number of Interdepartmental Customers}}$$

- Line 2.** Revenues from miscellaneous services provided for customers located outside the owning municipality should be reported here. If the utility does not keep separate records for miscellaneous service revenues received from customers located outside the owning municipality, it can be estimated on the basis of the ratio:

Electric Utility	$\frac{\text{The Number of Customers Outside of Owning Municipality}}{\text{Total Number of Customers minus the Number of Interdepartmental Customers}}$
-----------------------------	--

Gas Utility	$\frac{\text{Total Number of Therms Sold to Customers Outside of Owning Municipality}}{\text{Number of Therms Sold Less Interdepartmental Therms Sold}}$
------------------------	--

- Line 3.** If applicable, report the sales of water and water power to customers outside of the owning municipality.
- Line 4.** Report here the amount of rent from electric or gas property located outside of the owning municipality.
- Line 5.** Report here the amount of other electric or gas revenues that were received from customers located outside of the owning municipality.
